Association Member's Consent to Receive Notices by Electronic Communication

This form ("Consent") is intended to authorize the Ashton Park Homeowners Association ("Association") to communicate with the undersigned via Electronic Communication in lieu of first class mail or other methods. The phrase "Electronic Communication" includes communication by electronic e-mail, televised meetings, conference calling, webcams, electronic message board, and any other similar means of electronic communication.

The undersigned is a member of Association and consents to receive from Association the following documents by Electronic Communication:

1. Notices of meetings of members and/or of the board and committees of Association.
2. Documents concerning Association's operations required to be mailed pursuant to the Association's Governing Documents (Articles of Incorporation, Bylaws and CC&Rs) and/or the Davis-Sterling Common Interest Development Act. Examples of documents concerning Association's operations include newsletters, annual budget, policies, legal disclosures, insurance information, maintenance notices, reserve study summary, election results, notices, correspondence, annual financial report, Association disclosures and other documents.

This consent can only be revoked in writing (including by Electronic Communication). The undersigned is authorized to execute this Consent on behalf of all record owners of the property whose address is below. The undersigned authorizes Association to communicate to the following electronic email address. I understand that the email address below will be the one used by the Association to deliver all required documents that can be delivered electronically.

I also understand that it is my responsibility to inform the Association of any change in my email address in writing.
