**1. Installation within the Residential Lot.**

**1.1 Dishes.** Consistent with the Governing Documents, satellite dishes and antennae designed to receive video programming services via multi-point distribution services may be installed within the Residential Lot so long as such antennae and satellite dishes are (a) 36" or less in diameter, (b) installed in the least visually obtrusive portion of an Owner's property where an acceptable quality signal can be received, so long as such installation is not unreasonably expensive, and (c) either screened from view or painted to match the surrounding area so as to blend in with the surrounding area, so long as such screening or painting is not unreasonably expensive.

**1.2 Broadcast Antennae.** Antennae designed to receive television broadcast signals may be installed within a Residential Lot so long as (a) an acceptable quality signal cannot be received via an indoor antenna (e.g., "rabbit ears," etc.), (b) the antenna used is the smallest size available at a reasonable cost that receives an acceptable quality signal, and (c) the antenna is installed in the least visually obtrusive portion of an Owner's Residential Lot where an acceptable quality signal can be received, so long as such installation is not unreasonably expensive.

**1.4 No Installations by Lessees.** Only Owners may install satellite dishes and/or antennae as set forth in this Satellite Dish and Antenna Policy ("**Satellite Policy**"). If an Owner permits its Lessee to install a satellite dish or antenna, this Satellite Policy form must be completed by the Owner of the leased Residential Lot and such Owner will be responsible for ensuring its Lessee complies with all the requirements of this Satellite Policy.

**1.5 Notification.** After installing an antenna or satellite dish pursuant to **Section 1.1** or **1.2** above, the Owner must complete and submit a Notification form to the Association. The Association may inspect the antenna or satellite dish to determine compliance with the above requirements.

**2. Association Property.** Owners are not permitted to install satellite dishes or antennae in any portion of the Association Property or in the Association Maintenance Areas.

All satellite dish and/or antenna installations must comply with this Satellite Policy. By signing below, you acknowledge that you have read this Satellite Policy carefully and represent to the Association that your installation will fulfill all the requirements. This form must be submitted to the Association at least 7 business days prior to installation of a satellite dish or antenna.
